PLAYDOUGH RECIPE

INGREDIENTS:
1 Cup Flour  
¼ C Salt  
1 pkg Koolaid Unsweetened  
2 T Cream of Tartar  
1 C Warm Water  
2 T Vegetable Oil

DIRECTIONS:
Stir flour, salt, Koolaid, and cream of tartar together in a medium saucepan. Add warm water and vegetable oil. Stir over medium heat for 3-5 minutes. When the dough starts to form a ball (stick together), turn out on bread board. Let sit for a moment to cool. Then knead until dough is smooth.

NOTE:
You can make four batches OR multiply the quantities above by four, divide into quarters, and knead in the Koolaid at the end (it’s also okay to make four of the same color). A set of four = TWO Hours.
